

June 2020

Dear Incoming 4<sup>th</sup> Graders,

I am so excited to be working with you for the next school year. I know we are going to have a great time getting to know each other and learning many new things. In order to keep our minds sharp and ready for an eventful school year, you will be completing a summer reading assignment. Reading is a lifelong skill that needs to be nurtured and practiced regularly. What better way to do this than to enjoy a few great books during summer vacation!

This summer you will be reading two fun classics, James and the Giant Peach by Roald Dahl and Mr. Popper's Penguins by Richard and Florence Atwater. For each book you will complete an assignment that includes general information about each novel.

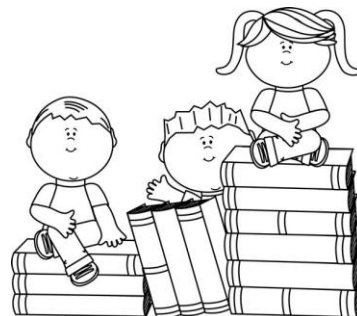

You will also be completing a 3<sup>rd</sup> grade math skills review packet. You should work on the problems throughout the summer. Please do not wait until the week before school to begin working on these assignments.

**Your Reading and Math assignments are due on the second day of school, Thursday, August 20.**

I look forward to seeing all of you in August. I wish you and your families a restful and well-read summer.

Sincerely,

Mrs. Paquette

Name: \_\_\_\_\_

## James and the Giant Peach

By Roald Dahl
