

4th Grade News

May 24, 2021

Message From Mrs. Paquette

- The students have been working to complete their 4th grade memory bags. This project is due on **Tues., June 1**. Distance learners will present their memory bags via Zoom on Tuesday. In-person learners will participate in a gallery walk where they will visit their classmates' desks to view each other's work.
- We have also been working on our 4th grade ABC books. This project will be completed next week in class. The students will be able to keep these as a remembrance of our year together.
- End of the year party permission slips were sent home today. They are due **Tues., June 1**.
